Exilis Elite Treatment, Blliis by Ravissant, Delhi

By Salon International Bureau

MAIL PRINT

Blliis by Ravissant offers exclusive Exilis Elite treatments for the face and body. Said to transform appearances, the newest innovation, Exilis is a non-invasive aesthetic system which safely and effectively delivers the right amount of thermal energy in a controlled manner to the skin, stimulating body contouring and the formation of new collagen. The treatment results in smoother, firmer, healthier looking skin of face, arms, abdomen, thighs, knees, and other troubled areas that appear lifted, lighter and more contoured. The Exilis Elite treatment includes numerous services and therapies to cure skin of different body parts.
